

Dear my sponsors,

My name is Blessing Simukonda, I'm the fourth born in our family doing my grade 9 at Mwami Academy in Nampanza township.

I would like to thank you for starting sponsoring me and my brothers and sisters. We are all now going to school.

I really hope and trust that you will continue helping us finish our studies and be great people in society. Thank you again and may God bless you richly.

Yours
Blessing Simukonda.
